

VILLA'S DEAD BODY FOUND BY CARRANZA SOLDIERS, IS REPORT

Despatches To Mexico City Say That Bandit Chief Has Been Dead Two Weeks, a Victim of Blood-Poisoning—Rumors As Yet Unconfirmed, But Are Given Credence By Authorities Near International Line.

El Paso, Texas, April 17.—Francisco Villa is dead and his body, disinterred some days after his burial, is in possession of the Carranza troops, according to a series of telegraphic messages received in Juarez Sunday by the Mexican officials.

For more than a week reports that Villa had died of wounds have been current both here and in Juarez. Yesterday's accounts were the most circumstantial, and apparently reliable, yet received. They were accepted with reserve by American officials, including General George Bell, but the Mexican officials expressed confidence in their reliability. The messages, in the order in which they were received, were as follows:

The dispatcher of the Mexican Northwestern railroad at Juarez reported to General Gavira, Carranza's commander at Juarez, that he had heard a conversation over the telephone wires to the effect that Villa's body was in the hands of the Carranza troops.

General Gavira notified Consul Andres Garcia here, who rushed messages to the telegraph operators at Madera and Cuahuahua, asking for confirmation. The operators answered, confirming the report, and stating the body was being taken to Chihuahua City.

The telegraph operator at San Antonio, 50 miles west of Chihuahua City, telegraphed Consul Garcia that Villa's body was in possession of Colonel Carlos Carranza, General Carranza's nephew, who was taking it in a special train to Chihuahua City.

In response to these messages, telegrams were sent to the Carranza generals in the field and to officials in Mexico City, Chihuahua and other points, asking confirmation, but no answers have been received.

Apart from the telegrams sent here there are some known facts which have been disclosed by Mexican officials as lending strong support to the truth of the report that the bandit chief is dead. These facts are: That Villa has been suffering for more than a year from a virulent form of blood poisoning, and that he was treated for this disease in Juarez by Dr. W. L. Brown, one of the best-known physicians in El Paso.

Even Minor Wound Fatal. Dr. Brown states that the condition of the bandit was such that even a minor wound would be fatal in 10 days unless treated promptly, and that with the best medical skill and care, even under the most favorable conditions, such a wound would be of the gravest character. He says that if Villa was wounded he could not have commanded anything but the most primitive treatment.

Another message from Chihuahua City received here yesterday states that rioting had broken out there was regarded as a measure of confirmation of the bandit's death. Villa is known to have had many sympathizers among the lower classes in the city and it was considered probable that their sympathy would take the form of violence if they learned the body of their hero was being taken to Chihuahua City to be exhibited as that of a criminal.

Finally—and a point upon which the greatest emphasis is laid—nothing positive has been known of Villa since

USE OF LIGHTER PAPER URGED

Washington, April 17.—The department of agriculture today recommends the use of lighter weight papers to relieve the present stringency in papermaking materials. Many publishers and many users of wrapping papers have adopted this plan, it is stated.

The annual consumption of chewing gum in this country is said to be only \$35,000,000. Anyone who ever attended a ball game knows that these small figures can't be correct.

WAS RUN DOWN AND KILLED A SPRING TONIC

Mr. Edward A. Warner, 1226 East Main Street, This City, Says Lax-a-Tone a Spring Tonic of Great Value.

To those in need of a spring tonic the formula and process in the manufacture of Lax-a-Tone should convince most anyone that it is unsurpassed. In the first place it is purely herbal and the juice is squeezed from the herbs by heavy pressure which makes it almost a pure herb juice. In the second place it contains dandelion, mandrake, yellowdock, gentian, sassafras, cascara and other herbs of known value. This remedy has made a wonderful success and has been highly indorsed by the greatest stomach remedy of the age. It is an absolute fact that a normal stomach, an active liver, and kidneys that are working properly will produce pure blood and ure blood will rebuild the waste matter in the system. If you have spring fever, feel tired out, rundown, drowsy, sleepy and need a spring tonic, give Lax-a-Tone a trial. In one week you will feel like a different person.

Mr. Warner says: "I was badly run down and in need of a spring tonic and one that would take hold quickly. I had been suffering from indigestion, gas and bloating and had heard of the Lax-a-Tone. I bought a bottle and used it. I must say I never saw anything like it as it not only cured my stomach trouble, but its tonic effects are wonderful and I will surely use it every spring. It will pay anyone to try it. I have been using it for some time. The Lax-a-Tone man is at Hartigan's drug store, 81 Fairfield avenue, near the corner of 12th and 13th streets. Give this remedy to the Bridgeport public.—Adv.
